

Descendants of Mike & Phoebe Reunion Scholarships

Dear Descendant,

We are excited about seeing you at the next reunion!

Because of generous contributions from family and friends, the DOMAP Scholarship Committee will once again award educational scholarships at the upcoming family reunion. This is your opportunity to share your educational and career goals with your fellow descendants. We invite you to apply for a scholarship and join us at the reunion for the award presentations.

Scholarship criteria (Please provide ALL of the following):

1. Compose a typed, double-spaced narrative, explaining how a DOMAP scholarship would help you achieve your educational and career goals. Be as creative and informative as possible, but you must include a brief description of how you're a member of the DOMAP family tree. Your narrative should be a minimum of 500 words.
2. You must be currently enrolled or have been accepted to an accredited college, university or certificate program by May 1st prior to the reunion. Send one copy of your acceptance letter or your most recent grades along with your scholarship application to the DOMAP Scholarship Committee by June 1st, prior to the reunion.
3. A current photo is required with your application. A color photo is preferred, but black and white (no glossy) will be accepted. Please keep a copy for yourself, as all original applications will not be returned, but placed in the DOMAP archives.
4. All scholarship recipients are required to have previously attended **at least one** DOMAP Family Reunion prior to the application year.

PLEASE NOTE: Each applicant is eligible to apply once for each level of study (undergraduate, graduate and/or certificate program).

If there are any questions and you need further guidance please contact a member of the scholarship committee for support.

**DOMAP Scholarship Fund donations can be sent to the
DOMAP Registration Committee.**
